

## REMARKS

This is intended as a full and complete response to the Office Action dated August 17, 2010, having a shortened statutory period for response set to expire on October 17, 2010. Claims 21-25 have been canceled without prejudice. Applicants reserve the right to subsequently take up prosecution of the claims as originally filed in this application in a continuation, a continuation-in-part and/or a divisional application. Please reconsider the claims pending in the application for reasons discussed below.

Applicants would like to thank the Examiner for considering the arguments presented in the Request for Continued Examination filed June 29, 2010 with respect to claims 1-8, 10, 12-13, 15-17 and 26-32 persuasive and for withdrawing the rejections over those claims. Applicants would also like to thank the Examiner for allowing claims 1-8, 10, 12-13, 15-17 and 26-32.

The Examiner indicates that the application is in condition for allowance except for claims 9 and 18-25, which are directed to a non-elected invention. Accordingly, claims 21-25 have now been canceled without prejudice.

However, Applicants respectfully submit that claims 9 and 18-20 are also allowable, because they were drawn to nonelected species and depend from claim 1, which is generic to those claims. (See 37 CFR 1.141).

In conclusion, having addressed all issues set out in the office action, Applicants respectfully submit that claims 1-10, 12-13, 15-20 and 26-32 are in condition for allowance and respectfully request that these claims be allowed.

Respectfully submitted,

/Ari Pramudji/ September 21, 2010
